- a) I wish to say a few important guidelines with regard to misuse of my humble name by different Buddhist monks Yogis and Lamas those who are either frequently visiting a certain place or settled down in South East Asia in different countries despite of my repeated appeal to everyone. It is a matter of big surprise for me that several Buddhist Lamas whom even I have never met in my life time or I have never given them any teaching they are also using my humble name continuously for their personal monetary benefit which is extremely matter of shame and a big fraud. Wearing monks robe and cheating and misleading lay people are a serious crime and breaking all Buddha's principal Vows. Sowing serious negative Karma for yourself and at the same time ruining the Buddhism. I really feel sorry for such gross negative activities by Buddhist Lamas, Khenpos, Yogis or monks residing abroad. I strongly object those who are using my name directly or indirectly by any means.

My constant guidelines and advices to all persons either he is a Re-incarnate Lama, Yogi, Khonpo or an ordinary monk whom I happen to meet them from day to day are always same and which are quoted below:-

1. If you are a serious Buddhist Student and Zogpachenpo's practitioner, one should spend your life in retreat with minimum comfort and giving up all luxuries attachment.
 2. Do not waste your time in touring all foreign countries including a certain place which is fruitless.
 3. Do not tempt for begging donations under different excuse such as construction of a big monastery, Stupa, Zangdogpelri, Bumtsog or big offerings or setting-up of a new Buddhist center etc.
 4. Do not sell out Zogpachenpo under different pretext for your own personal benefit.
 5. Always be humble and do not try to expose yourself in front of others even you may have little knowledge in Buddhism.
 6. Do not cheat others in the name of Zogpachenpo by giving initiations or teachings which you have never received and not done practice by yourself from a legitimate high Lama or Guru.
 7. Finally, I myself never have any slightest desire to visit any foreign country nor I have any specific reason.
- b) In the past, I have experienced several occasion that despite of my unwillingness and objection, re-incarnate Lama, Yogis, Khenpos and monks those who have come to see me are taking photographs with me by force under different pretext. Due to electronic supremacy people are coming with different types of electronic equipments so as to record my voice or photograph me which are not easy to detect by a people of my age.
- c) Hence, I notify all the Buddhist followers all over the world do not repeat do not believe on the person who is possessing such photographs or making false claim that he or she is my Student in the past or present. Please do not believe on just showing a photograph or Video etc. Therefore, I, the undersigned with full consent, reject such types of false claims made by different Buddhist Centers, Monasteries, Institute or Re-incarnate Lamas, Khenpos, Yogis and or any ordinary Monks etc. henceforth.

In conclusion, once again, I sincerely appeal to all Buddhist followers all over the world and Buddhist Centers including the people who are taking interest in Buddhism religion, kindly take note of my above cited humble declaration and suggestions. After seeing this article on the News Papers, I hope everyone would clearly understand me and my personal opinion hereafter.
